

Job Opportunities in the Cramer Lab

Graduate Student Stipend

Funds are available on September 1, 2009 for a graduate student accepted into a graduate program (preferably Biochemistry) at UNR. The stipend is for \$22,000 annually. The student will be expected to complete a thesis (M.S. or Ph.D) on the stress tolerance of grapevines. If interested, please contact Dr. Grant Cramer (cramer@unr.edu).
