

GRAND CANYON TRUST

HIRING: TEMPORARY FIELD ECOLOGISTS

Date Posted: March 17th, 2005

Job Description

The Grand Canyon Trust is hiring field ecologists to assist in conducting a baseline ecological assessment of the Kane and Two Mile ranches, north of the Grand Canyon. Field ecologists will use a variety of field sampling techniques to systematically collect on-the-ground data describing vegetation community and soil characteristics. The field season will extend from May through August (and possibly beyond). Field crews will work 10-hour days, spending 8 days in the field, then six days off. Food will be provided.

Desired Qualifications

- Two years experience conducting field ecology work; OR
- B.S. in Biology, Ecology, or a related field and one season conducting applied ecological research in the field; OR
- Equivalent combination of training and experience
- Familiarity with the flora of northern Arizona (or the ability to quickly learn)
- Ability and desire to work over extended periods of time in harsh and physically strenuous conditions

Pay Rate

Pay for field ecologists is \$10-\$12/hr., depending on experience.

How to Apply

Please send resume and cover letter via e-mail to Ethan Aumack (eaumack@grandcanyontrust.org) at the Grand Canyon Trust, or by mail to Ethan Aumack, Grand Canyon Trust, 2601 N. Fort Valley Rd., Flagstaff, AZ, 86001.
